

A run through of the NW COVID19 care home guidance

Introduction

A run through of the NW COVID19 care home guidance

Skype Dates

[Join Skype Meeting](#)

Audience

For all staff and managers working in the care sector.

Objectives

Following this session, delegates will be able to:

- Describe COVID-19: the SARS-CoV-2 virus, routes of transmission and clinical symptoms
- Understand how care homes can prepare for COVID-19
- Respond to a single case of COVID-19 in a care home
- Respond to an outbreak of COVID-19 in a care home
- Facilitate safe transfers in/out of care homes during COVID-19
- Support and advise care home colleagues on how to keep themselves safe
- Know where to find further guidance
